

How Do I Get Started As a Volunteer?

- Fill out a Volunteer Application and include at least three references.

(If you are in contact with kids, you are also required to complete a police and child abuse registry check form)

- Book an Interview with the Director of Volunteer Services
Phone 982-4944 or e-mail popoff@wbgc.mb.ca

- You will be contacted in three to six weeks once your background check is completed.
- Once your application has been approved, you will go through another more specific orientation from your supervisor at the site you are placed.

At the Site Orientation, you will find out more details on specific tasks, resources, and your volunteer schedule.

- Maintain ongoing communication regarding your placement with the site supervisor and let the Director of Volunteer Services know how the placement is going once you are settled.
